Nella tabella a destra calcola ora la naturalità dell'area

| NATURALITA'              | BL MEDIA |
|--------------------------|----------|
| Molto alta               | >75      |
| Alta                     | 61-75    |
| Media                    | 46-60    |
| Bassa/ alterazione bassa | 31-45    |
| Alterazione media        | 16-30    |
| Alterazione alta         | 1-15     |
| Alterazione molto alta   | 0        |
